Deft's request to allow him to no longer reside at the Halfway House but instead live with his stepmother, Rochelle Coleman - with the objection of the govt's atty. noted on the record, request GRANTED. The Court ordered that the deft's release from the Halfway House shall be STAYED until the deft's stepmother has installed a telephone landline in her house for electronic monitoring. Rochelle Coleman has agreed to act as the deft's custodian. The Court asked the deft's atty. to submit a declaration ASAP to the Court that she spoke with the other sureties & they acknowledge their higher exposure to the risk having the release sureties.
